**Tactics of Fascism**

- Watch the video “The 10 tactics of fascism” featuring Jason Stanley, a Yale University Professor in Philosophy.
- Write any notes that help you remember and understand each item on the list.
- Add examples of each checklist item that you noticed in *Berlin*. Not every tactic appears in the play!
- Add any other examples (from history or politics) to the final column. Try to have at least one example (either from *Berlin* or elsewhere) for each tactic of fascism.

Checklist Item	Notes	Examples in <i>Berlin</i>	Other Examples
1. Mythic Past			
2. Propaganda			
3. Anti-intellectualism			
4. Unreality			

5. Hierarchy			
6. Victimhood			
7. Law and Order			
8. Sexual Anxiety			
9. Sodom and Gomorrah			
10. Free Labor			

**Reflect** | Pick one tactic and reflect or discuss: *How can people effectively fight back against each aspect of fascism?*
